The Brewers Guild of New Zealand are assisting European entries into the awards by offering a consolidation point for beer entries at:

Weyermann Specialty Malts
Brennerstraße 17-19
Bamberg, 96052
Germany

Attention: Fran Puskorius

Ph: +49 951 9322022

Breweries can send their beer to this point where it will be handled (with care) and consolidated onto pallets for shipment to New Zealand. The charge for this will be NZ\$20.00 per carton of 12 (up to) 335ml bottles and NZ\$40.00 for 12 (up to) 610ml bottles. To take advantage of this offer the entries will need to be paid for and delivered to Weyermann Specialty Malts by 7 June 2010.

The pallets will be moved from Bamberg to Hamburg, then onto New Zealand via a container stowed below deck to keep the temperature as low as possible.

Judging

Gold medal = 3 points
Silver medal = 2 points
Bronze medal = 1 point
No medal = 0 points

Class, Style and Subcategory is to be chosen from the style guidelines (which can be downloaded from the BGNZ website) and are based on those from the World Beer Cup, with the addition of four NZ specific styles.

Champion International Brewery

A trophy is available for "Champion International Brewery". This trophy is designed exclusively to reward entrants whose beers are not currently commercially available in New Zealand (and who are therefore ineligible to win any of the other trophies). The trophy will be awarded to the brewery with the highest average score across its three highest scoring entries. To be eligible a brewery must have a minimum of three beers entered.
