Judging

Gold medal = 3 points
Silver medal = 2 points
Bronze medal = 1 point
No medal = 0 points

Class, Style and Subcategory is to be chosen from the style guidelines (which can be downloaded from the BGNZ website) and are based on those from the World Beer Cup, with the addition of four NZ specific styles.

Champion International Brewery

A trophy is available for "Champion International Brewery". This trophy is designed exclusively to reward entrants whose beers are not currently commercially available in New Zealand (and who are therefore ineligible to win any of the other trophies). The trophy will be awarded to the brewery with the highest average score across its three highest scoring entries. To be eligible a brewery must have a minimum of three beers entered.
