

# BEER & BREWERY TOURS

We're all about celebrating local, and as BREWNZ'23 is taking place in Christchurch we encourage you to visit the venues below and explore what Christchurch has to offer in the way of beer, bars and breweries.

The 'experiences' are self-guided, we check out the venue, the specials they are offering and just click the **PINDROP** below to find where to go.

And by chance, 'International Beer Day' is on August 4, so what better reason to explore and discover Christchurch's local brewing scene.
