MESSAGE FROM THE BREWERS GUILD

Welcome to the 2024 New Zealand Beer Awards report, where I have the privilege of sharing the highlights and success of this year's event.

This was the second year that the two Jo's (Jo Gear and Jo Buckland-Stevens) worked tirelessly behind the scenes to ensure the entry process and associated logistics happened without a hitch. Their commitment and fresh perspectives were instrumental in bringing together another successful celebration of New Zealand's brewing excellence.

This year the NZBA accepted 712 entries across all award categories. This included 695 beer entries from 73 entrants. While numbers were down this year, to exceed the 700 mark is still a great result and this underscores the industry's resilience and dedication despite ongoing challenges. It's also exciting to note that the success rate at gaining a medal in the 2024 competition was 77%, a 12% increase from 2023. This is testament to the quality of New Zealand beer, to the skills of our brewers and to the industry as a whole.

We are grateful for the invaluable contributions of judges, including those from across the Tasman, whose expertise and diversity enrich our judging process. The 'steward to judge' program continues to flourish, nurturing new talent and ensuring the future robustness of our judging panels.

Behind the scenes, our dedicated stewards and the Konvoy team, managing the keg area, exemplify professionalism and dedication. Their tireless efforts ensure the smooth operation of the event, even under demanding conditions, including both rainy days and some impressively frosty starts.

Special acknowledgment goes to Head Judge Tina Panoutsos and Head Steward Helen Matthews for their leadership and unwavering commitment to excellence. Their guidance ensures the seamless execution of the awards process year after year.

At its core, the New Zealand Beer Awards is a celebration of passion and collaboration within our industry. Our focus remains on fostering connections and community spirit, celebrating the achievements of our industry and encouraging professional development within the industry. Cheers to all involved and Congratulations to all the winners who have contributed to another exceptional year of New Zealand brewing! Thank you.
