MESSAGE FROM THE BREWERS GUILD

Celebrating Excellence in New Zealand Brewing

The New Zealand Beer Awards 2025 marked another standout year for the brewing industry, bringing together innovation, craft, and community from across New Zealand—and, for the first time, across the Tasman.

This year, we were proud to welcome over **650 entries**, including **625 beer entries** from **70 exhibitors**, and **26 industry** award entries in the categories of tourism, sustainability and packaging. These entries represent a breadth of styles and the creativity that continues to stand out in the New Zealand brewing industry. The calibre of submissions continues to lift year on year, and we were especially thrilled to open our doors to Australian breweries joining the competition for the first time—adding new flavour and spirit to the mix.

This year's entries once again showcased the outstanding calibre of New Zealand brewing, with an impressive **80% medal success rate**—a 4% lift from 2024. It's a clear reflection of the exceptional skill of our brewers, the strength of our industry, and the world-class quality of Kiwi beer.

While the industry continues to navigate a challenging landscape, the awards serve as a powerful reminder of what makes New Zealand brewing so special: dedication, collaboration, creativity, and an uncompromising commitment to quality.

None of this would be possible without our incredible community:

- **To our sponsors** – thank you for your continued support and investment in the future of brewing. Your backing helps make this event a true celebration of excellence.
- **To the breweries** – thank you for entering, and continuing to lift the benchmark of beer made in Aotearoa.
- **To the crew behind the scenes** – the stewards, judges, organisers, volunteers, and partners who make this event happen—thank you for your tireless dedication.
- And to the **wider brewing community**, thank you for showing up, raising a glass, and supporting one another through every challenge and triumph.

As always, a heartfelt shout-out to our incredible Head Judge, Tina Panoutsos, who travels from Australia each year to uphold the integrity and excellence of the competition. A huge thank you to Helen Matthews, our Head Steward, who keeps the team sharp and the beer flowing. And of course, to the two Jo's, the powerhouse duo behind the scenes who make it all happen—you're all absolute legends.

The NZ Beer Awards is more than a ceremony—it's a moment to reflect, connect, and toast to the incredible people behind the beers. We're proud to stand alongside you in celebrating what makes this industry exceptional. Here's to quality beer, strong connections, and a bright future.
