MESSAGE FROM THE BREWERS GUILD

Celebrating 20 Years of Excellence in New Zealand Brewing

The 2026 New Zealand Beer Awards competition is a fitting celebration of a significant milestone for our industry, the 20th anniversary of the Brewers Guild of New Zealand. For two decades, the Guild has championed, advocated for, and supported New Zealand's brewing community, and it is wonderful to mark this achievement with such strong engagement from brewers across New Zealand and beyond.

This year's competition attracted an impressive 660 entries across 15 beer classes from 74 entrants. It was particularly pleasing to welcome entries from Australia once again, adding an international dimension to the awards and reinforcing our cross Tasman connections. We were also delighted to welcome an outstanding judging panel from New Zealand, Australia, and the United States, whose expertise and dedication ensure the integrity and credibility of the competition remains world-class.

Alongside the beer competition, we received 17 entries across our Industry Awards categories, recognising excellence beyond the glass and celebrating the innovation, leadership, and commitment that continue to strengthen our sector.

The quality of beer entered this year was exceptional. An impressive 85% of entries achieved a medal, representing a 2.5% increase on last year, evidence that the standard of brewing in New Zealand continues to improve year after year. The consistency, technical excellence, and creativity demonstrated by entrants is something the entire industry should be proud of.

While there is no denying that many businesses continue to face challenging market conditions, there are also countless positive stories emerging from our brewing community. These awards remind us that, even in difficult times, there remains much to celebrate.

None of this would be possible without the commitment and support of so many people. To our sponsors, thank you for your ongoing investment in the awards and in the future of New Zealand brewing. To our entrants, thank you for continuing to challenge yourselves and raise the benchmark for quality. To our competition team of Jo, Lou, Dean, Dan and Helen, and Head Judge Tina, all of the judges and stewards and the Awards Advisory Panel, thank you for your professionalism, expertise, and countless hours of work behind the scenes. And to the wider brewing community, thank you for your passion, dedication, and unwavering support of our industry.

It really is a privilege to run these awards on behalf of the Brewers Guild and the wider brewing industry, providing an opportunity to recognise excellence, celebrate achievement, and reflect on the strength of the community that sits behind every beer poured.

Congratulations to all medal winners and award recipients. Here's to 20 years of advocacy, excellence, and championing our industry, and to an exciting future ahead.
